

BUILDING A HAIDA VISION FOR HAICO

HaiCo is beginning the process to complete an updated Strategic Plan, led by Haida citizens, to support the long-term plans for our businesses – Taan Forest, Haida Wild Seafoods, Westcoast Resorts, Ocean House at Stads K’uns GawGa, and Haida House at Tllaal.

It is important to us that these plans align with the Haida Nation’s expectations, wishes, and needs for the future.
